**DETAILED ACTION**

1. Claims 29-54 are allowed.
2. Claims 1-28, and 55-74 were withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on October 12, 2007.
3. The following is a statement of reasons for the indication of allowable subject matter: As pointed out in Applicant's response filed March 20, 2008, the Annen et al reference relied upon by the examiner is not prior art. The Annen et al reference has a priority date, based upon parent application 09/850661, of May 7, 2001. However, the subject matter of the present application predates this reference, and eliminates the Annen et al disclosure as prior art.
4. This application is in condition for allowance except for the presence of claims 1-28, and 55-74 directed to an invention non-elected with traverse in the reply filed on October 27, 2007. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert Rose whose telephone number is (571) 272-4494. The examiner can normally be reached on Monday through Thursday, and on alternate Fridays, from 8:00 to 5:30.
